Brunello di Montalcino DOCG, Fattoria dei Barbi 2017

Monica Larner

“The Fattoria dei Barbi 2017 Brunello di Montalcino is quite rich and velvety in appearance and in sensation. The wine carries extra fruit weight that is linked to the warm and dry conditions of the vintage, and that richer core is a sounding board for ripe and plummy fruit aromas. I can smell the oak barrels too, and although they don't impart obvious spice or toast, the add soft, earthy contours to this full-bodied Brunello. This ample 158,000-bottle release offers an accessible personality overall.”
