Brunello di Montalcino DOCG, Fattoria dei Barbi Riserva 2016

Monica Larner

“ Fattoria dei Barbi is one of the historic, grandfather estates of the appellation, and this important point comes to mind every time I have the honor of reviewing their new releases. The wines always show a distinctly traditional side that is just part of this estate’s DNA [...] Territory speaks loud in the 2016 Brunello Riserva. The wine offers purity and deep layering with alternating tones of dried cherry, dark spice, cola, and crushed flowers. Only 4,000 bottles were made. ”
