## Rosso di Montalcino DOC, Fattoria dei Barbi 2021

*Audrey Frick*

“The 2021 Rosso di Montalcino offers up a lovely bouquet of spiced cranberry, compote leather, and dried roses. A structured wine, it is rich with tannins throughout, in a medium to full frame, with dried cherry, mocha, and turned earth. Although it is best suited for drinking over the next 5 years, it is hearty enough to warrant being paired alongside burgers or Bolognese. Drink 2023-2028.”
