Senza Solfiti IGT Toscana Rosso, Fattoria dei Barbi 2021

Monica Larner

“ [...]The Fattoria dei Barbi 2021 Senza Solfiti opens to a dark color and a deeply saturated appearance. There are punchy aromas of sweet cherry and blackberry. This Sangiovese is vinous, primary and raw in character, and there are mildly sweaty aromas that come from a hands-off winemaking approach. This 13,300-bottle release will appeal to those looking for natural alternatives from Montalcino. Drink Date 2023-2025.”
