## Brunello di Montalcino DOCG, Fattoria dei Barbi 2020

— *Eric Guido* —

“The 2020 Brunello di Montalcino showcases crushed blackberries and cherries complemented by sweet herbs and a hint of cedary spice. Fruit-forward, it features lavender-laced wild berries and violet inner florals, all guided by cooling acidity. It leaves a pleasantly chewy sensation and a framework of fine tannins as nuances of licorice fade. Drinking Window: 2028 - 2040.”
